Whereupon Alderman Winter introduced the following resolution:

WHEREAS, The City Council, by joint resolution, approved April 23d, 1870, ordered an election to be held in the city of Cairo, at the usual places of voting, to adopt or reject a proposition to subscribe \$100,000 to the capital stock of the Tennessee and Kentucky railroad, and, whereas, the returns now before this Council show that 576 votes were polled, and 424 votes against said proposition, therefore be it

Resolved, By the City Council, in joint session convened, that the subscription of one hundred thousand dollars be and is hereby authorized to be made by said city of Cairo.

Adopted, by the following vote, viz:

Ayes—Arter, Barclay, O'Callahan, Fitzgerald, Kieb, Lohr, Lonergan, McKee, Mendel, Theobold, Walder and Winter—12.

Nays—Brankle—1.

A motion was then made to refer the returns to the Select Council for their action as is required by the charter.

Carried.

Monthly report of Jas. B. Taylor, City Treasurer, for April, 1870.

Monthly report of B. Shanassy, Police Magistrate, for March and April, 1870.

Monthly report of P. Bros, Police Magistrate, for March, 1870.

Monthly report of Jas. Ryan Street Supervisor, for April and May, 1870.

were presented and read, and on motion received and ordered filed.

Councilman Jorgenson appeared and took his seat.

DRAINAGE COMMITTEE REPORT.

To the Hon. Mayor and City Council.

The Drainage Committee would respectfully report that the 11th street sewer value is out of order and cannot be closed. It is recommended that a committee be appointed to ascertain what is best to be done, so as to admit the turning of the valve without the use of the long rod to top of the Levee, and hereby ask authority from the Council to have said work done immediately. Your committee would also call the attention of the Council to the condition of the 10th street pump and engine. The engine room and machinery need a thorough overhauling. It has been suggested that they be offered for sale, and should the Council deem it advisable at any time to sell them, a few hundred dollars judiciously expended now would add many hundreds to their value. We request authority to have such work done as shall appear upon examination to be necessary to preserve the works from the injuries they are now suffering from neglect and exposure until the Council shall decide upon a disposition of the same.

Respectfully submitted,

P. W. BARCLAY,
F. THEOBOLD,
J. S. BRANKLE,
W. M. LONERGAN.

June 3, 1870.

On motion the report was received and the recommendations of the committee concurred in and authorized by the following vote, viz:

Ayes—Arter, Barclay, Jorgenson, O'Callahan, Brankle, Fitzgerald, Kieb, Lohr, Lonergan, McKee, Mendel, Theobold, Walder and Winter—12.

The Drainage Committee, to whom was referred the resolution providing for the removal of certain sewer pipe, reported the same back, recommending that the Council authorize the said pipe to be removed. Report received and work ordered done.

PETITIONS.

Petition of H. Wariner asking permission to erect a building on lots 1, 2, 3 and 4 in Block 82, in the first addition. Referred to Committee on Fire Department.

Petition of Clary Hutchinson asking permission to remove a frame building from lot 18, Block 2, upon lot No. 3 in Block No. 22, city of Cairo.

Referred to Committee on Fire Department.

Petition from many citizens praying the City Council to re-establish the market house in its present location. Alderman Winter moved to refer to a Committee of five to be appointed by the chair, upon which motion the ayes and nays were called with the following result:

Ayes—Arter, Jorgenson, O'Callahan, Brankle, Fitzgerald, Kieb, Lohr, Lonergan, McKee, Mendel, Theobold, Walder and Winter—12.

There being a tie vote, the chair voted in the affirmative, and appointed as such committee Winter, Mendel, Kieb, O'Callahan and Brankle.

To the Honorable Mayor and Council of the city of Cairo.

We are authorized as attorneys for Mrs. Anna Redman, who obtained judgment vs. the City of Cairo, Feb. 15, 1870, for

\$1675 and \$17 80 costs, to say that she will take in payment of said judgment city scrip at 70 cts. to the dollar; and we respectfully ask the Council to act upon the proposition.

Very Respectfully Submitted,

M. KRAIG, & MUNN & POPE,
Attorneys.

Alderman Winter moved that a committee of 3 be appointed to confer with the petitioners relative to their claim against the city and that the mayor constitute one of said committee.

Carried.

Winter and Barclay were appointed.

Councilman O'Callahan represented to the Council, that on the 23d day of April, A. D. 1870, there was a judgment obtained against him by the city before Judge Gross for selling liquor without license from the 1st day of January, A. D. 1870, until April 1st, A. D. 1870, whereupon Councilman Jorgenson moved the Council that inasmuch as he procured a license *after being notified by summer to appear and answer the charge preferred* that said fine imposed be remitted.

Your relator would respectfully recommend that this claim be placed into the hands of the City Attorney, with instructions, conjointly with Mr. Oberly, to investigate the matter and report to the Council.
